

## Tuition Rates for 2009 – 2010

The operating cost for our school (faculty, salaries, classroom supplies, utilities, maintenance, etc.) is approximately \$9,000.00 per student per year. However, the tuition is set at \$5,000.00 or below. This means that we provide every child with a “silent scholarship” of several thousand dollars per year. In order to offset the difference in tuition and the cost of educating your child, each family is required to join in the Parent Participation Plan by giving 20 hours of service per school year (or pay \$20.00 for each hour not served). Service hours can be acquired by being involved in various fundraising projects, volunteering in the lunch/snack room, helping out in the classroom, or working on school grounds. St. Mary Star of the Sea Parish, our parish, and St. Peter’s in Big Pine, continue to support the school with their remarkable financial commitment to Catholic education.
