

THE GREEN TEAM

The Green Team is an after school club geared toward helping the environment. Students in this club are interested in "going green". We concentrate on getting educated, spreading the word and then taking action. This club is active and interactive. The students participate in science experiments, online research, discussions, gardening, involvement in the school's move toward recycling, as well as community outreach.

The Green Team will have meetings each Monday from 3:00 – 3:30 at Mary Immaculate School with Danielle Gould. Your child must have a signed Internet Agreement form in order to participate. I recommend that you send a snack and drink for your child to have immediately after school. Please meet your child at the back of the school for pick-up. Permission Slips are available in the front office or on the school's website.

Students who join The Green Team will be asked to LEAD by example:

Learn Educate And Do

Please return bottom portion only

The Green Team Permission Slip

My child, _____, has permission to join The Green Team.

Parents' Names: _____

Address: _____

Phone #'s: _____
